

The FOCAL POINT Enhancement

Get increased visibility for your community by showcasing unique community features or amenities with a Focal Point

Benefits Include:

- Increases visibility – Grab renters’ attention by showcasing a unique community feature or amenity on search results pages
- Increases traffic – Stand out from other properties to attract more clicks to your brochure
- Builds brand awareness for your Management Company

Features Include:

- Brightly colored animated Focal Point icon attracts renters to your community
- Clickable icon located on search results page sends prospective renters directly to your Online Brochure
- Customized text description will appear on your Online Brochure showcasing your unique community feature

Focal Point enhancement opportunities include:

- | | |
|---------------------|----------------------------|
| Property Logo | Brand New Property |
| Affordable Housing | College Community |
| Mgmt. Co. Logo | Pet Friendly |
| Move-In Special | Concierge Service |
| Newly Renovated | High-Speed Internet |
| Near Public Transit | <i>Or Create Your Own!</i> |
